of Correction

Dear Sir:

In accordance with the provisions of 37 C.F.R. §1.322 of the Rules of Practice, which implement 35 U.S.C. 254 and 255, approval of the attached Certificate of Correction for the above-identified patent to correct the error noted below appearing in the issued patent is respectfully requested.

Most recently, in reviewing the above-identified patent, it was discovered that an error was made regarding the printing of the inventorship, which should be corrected.

In particular, in Column 1, Item (12), please change the listing of the inventor from "Feuerherm et al." to read as follows:

--Feuerherm--.

In Column 1, Item (75) please delete the name of the second listed inventor:

--Günther Kappen, Troisdorf (DE)--.

Since the error was the fault of the PTO as is evidenced by the enclosed Request Under 37 C.F.R. §1.48(b) to Correct Inventorship Due to Amendment or Cancellation of Claims filed on March 1, 2005 and the Decision on Petition which was granted on March 31, 2005, no fee is required for the filing of this Certificate of Correction. However, should any additional fees be required, the Commissioner is authorized to charge such fees to Deposit Account No. 03-2468.

Accordingly, approval of the attached Certificate of Correction is respectfully requested.

Respectfully submitted,
HARALD FEUERHERM
